

We drive towards a
green future

Luxoft
A DXC Technology Company

A future where cars are your health companion

Car-mobility that lives up to a healthy, pleasure-oriented lifestyle. Mobility solutions that are ecologically correct and sustainable for the consumer.

LUCEE

Luxoft's award-winning intuitive HMI

AI technology
Eco-friendly
Fun

Staying close
to the **planet**

Luxoft
A DXC Technology Company

AI technology

Friendly connection between your **electric car**, **smartphone**, **smart fridge** and **regional markets**.

Bio Mammut
Denn's
Basic
Alnatura
Bio Company
Biomarkt

Lime
Black beans
Apples

23.641km

Eco-friendly

Visualize and assess the impact of the CO2 footprint left by your drive to the market. Get personalized meal suggestions based on real-time food expiration status and seasonal product availability.

Fun

Earn points with eco-actions. Collaborate with your family and friends to become the team with the lowest carbon footprint

...or compete against them!

Well done Ava!

You've earned **50 points.**
Choose a gift from your regional market.

LUCEE is the future

You're the green hero!
